GOLDEN FOODS

ABOUT GOLDEN FOODS

Established in 2006, Golden Foods Manufacturers CC is a trusted Halaal manufacturer and wholesaler of premium frozen savoury products, specializing in samoosas, pies, and allied food products. Based in Anchorville, south of Johannesburg, the company has earned a strong reputation for quality, consistency, and service excellence within the food manufacturing industry.

Golden Foods proudly maintains SANHA Halaal & NIHT Halaal certification and full compliance with national food safety regulations, including Certification of Acceptability (R638) issued by the City of Johannesburg Health Department. In 2025, the company further strengthened its commitment to international quality and food safety standards by achieving ISO 9001:2015 and ISO 22000:2018 certifications.

Operating from a modern facility equipped with advanced automated machinery and production technology, Golden Foods uses carefully sourced premium ingredients to ensure exceptional product quality.

The company manufactures and distributes products nationally and internationally, supplying major forecourts, supermarkets, hospitality groups, restaurants, butcheries, bakeries, and retailers. Golden Foods also supplies premium frying oils and baking margarines to the food service industry.

With dedicated sales and customer support teams, Golden Foods remains committed to superior quality, food safety, reliability, and competitive pricing.
